

The University of Lahore
Department of Software Engineering

Final Slots Winter 2021

Day	Date	Slot 1	Slot 2	Slot 3
		7:45 AM-9:45 AM	10:00 AM-12:00 PM	12:15 PM - 2:15 PM
Saturday	29/05/2021	Distributed Database Systems [T=18] Customer Relationship Management [T=52]	Software Engineering [T=175] Object Oriented Software Engineering [T=80]	Internet of Things (IOT) [T=101]
Sunday	30/05/2021	Islamic Studies [T=80]	Principle of Marketing [T=150]	Computer Communication & Networks [T=75]
Monday	31/05/2021	Artificial Intelligence [T=68]	Human Computer Interaction [T=87]	Software Verification and Validation [T=75]
Tuesday	01/06/2021	Organization Behaviour [T=101]	Programming Fundamentals [T=150]	English Composition and Comprehension [T=86]
Wednesday	02/06/2021	Object Oriented Programming [T=90]	Enterprise Resource Planning [T=33] Data Warehousing & Data Mining [T=50]	Applied Physics [T=92]
Thursday	03/06/2021	Software Architecture & Design [T=91]	Introduction to Info. & Comm. Technologies [T=101] Professional Practices [T=78]	Linear Algebra [T=121]
Friday	04/06/2021	Database Systems [T=78] Java Software Development [T=25]	Formal Methods in Software Engineering [T=55] Advance Software Engineering [T=95]	
Saturday	05/06/2021	Communication & Presentation Skills [T=135]	Principles of Management [T=96]	Business Process Engineering [T=89]
Sunday	06/06/2021	Operating Systems [T=86] Human Resource Management [T=96]	Pakistan Studies [T=128]	Software Requirement Engineering [T=60] Software Requirement and Specification [T=87]
Monday	07/06/2021	Analysis of Algorithm [T=9] Web Engineering [T=80]	Probability & Statistics [T=135]	Calculus and Analytical Geometry [T=96]
Tuesday	08/06/2021	Design Pattern [T=85]	Mobile Application Development [T=98] Data Structures and Algorithms [T=65] Software Project Management [T=75]	Discrete Structures [T=150]
Wednesday	09/06/2021	Digital Logic and Design [T=42]	Technical Business & Writing [T=87]	Numerical Computing [T=35]
