The image shows a web browser window with a single tab titled "Sign in - Google accounts". The address bar displays the URL: `https://accounts.google.com/signin/v2/challenge/pwd?continue=https%3A%2F%2Faccounts.google.com%2F%2F%2Fsaml2%2Fidp%3Ffrom_login%3D1%`. The main content area features the Google logo and the word "Welcome". Below the logo, a user selection dropdown shows the email address "ssohub@its.uol.edu.pk" with a downward arrow. To the right, there is a password input field with the placeholder text "Enter your password" and a series of dots representing the password. Below the input field is a checkbox labeled "Show password". At the bottom right, there is a link for "Forgot password?" and a blue "Next" button.

Log On

Change Password

[Forget Password](#)

After entering Username and password following screen will appear where you will write again your current password then set your New 10 characters Then click on change button.

The image shows a web form for changing a password. It has a blue border and contains several input fields. The 'User' field is filled with '70112130'. The 'Current Password' field contains six dots and is highlighted with a yellow background. The 'New Password' and 'Repeat Password' fields are empty. Below these fields is a red-bordered box with a warning message. At the bottom is a blue 'Change' button.
