The screenshot shows the user interface of The University of Lahore's Learning Management System (LMS). At the top left is the university's logo. On the right side of the navigation bar are icons for notifications (with a red badge showing '4'), a chat bubble, a user profile (green circle with 'i'), a settings gear, and a toggle switch. Below the navigation bar is a large light-colored box labeled "Dashboard". Inside this box, there are four statistics cards arranged in a 2x2 grid:

- 1** Courses Enrolled (with a checkmark icon)
- 0** Courses Completed (with a checkmark icon)
- 0** Activities Completed (with a checkmark icon)
